DEDUCT METER POLICY

Deduct Meters are for outside water use ONLY and must be purchased from the Warwick Sewer Authority.

DEDUCT METERS COME IN DIFFERENT SIZES, DEPENDING ON THE SIZE OF THE WATER LINE. IT IS UP TO THE PROPERTY OWNER TO VERIFY THE SIZE THEY NEED. RETURNS ARE NOT ACCEPTED.

All users must conform to the following regulations:

- 1) **Before purchasing a deduct meter, a City of Warwick plumbing permit is required. Contact the Building Department at (401)738-2007 for the proper procedures.** A City Of Warwick Plumbing Inspector must inspect the installation of the meter on the pipe.
- 2) After the permit is pulled, the Deduct Meter must be purchased from the Warwick Sewer Authority. Payments are by **CHECK or MONEY ORDER ONLY**, made out to the Warwick Sewer Authority. Returns are not accepted.
- 3) Deduct Meters and the outside reading device (RADIO HEAD) shall be installed, per Building Department guidelines. The radio head needs to remain attached to the meter.
- 4) Deductions will not start until the installation of the meter has passed inspection by a City of Warwick Plumbing Inspector.
- 5) Maintenance and proper use of the meter is the property owner's responsibility. The meter and radio head are covered by a manufacturer's warranty. If the readings provided by the meter indicate it was placed incorrectly, or provides irregular reads, the WSA reserves the right to remove

the deductions from the account until such time as a City of Warwick Plumbing Inspector is able to verify that the meter is installed correctly.

- 6) The WSA maintains a stock of 5/8" and 3/4" meters. If a larger meter is required, the WSA needs to order the meter. Shipping time is typically two – three weeks. Payment is due before the order is placed. In order to ensure that the proper meter is being purchased, please verify the size that is needed. Returns are not accepted.
